

**Specification:**

| Model                 | DC.CAB.2500.0150 WHITE |
|-----------------------|------------------------|
| DC Socket             | 5,5x2,5mm              |
| Recommended voltage   | 0 - 48V                |
| Max Current           | 5A                     |
| Dielectric Strenght   | 500 VDC                |
| Operating temperature | -20°C to +70°C         |
| Cord Lenght           | 1500mm                 |
| Cable Diameter        | 2x2mm                  |
| Wire Diameter         | 2x0,5mm <sup>2</sup>   |
| ROHS                  | +                      |
